

HET AMSTERDAMSE WINTERPARADIJS ARRANGEMENTS 2025

Step into The Amsterdam Winter Paradise – the ultimate winter experience for everyone who loves the magic of the season. Each year, from mid-December until the first week of January, the RAI Amsterdam transforms into a breathtaking winter wonderland.

Discover an unforgettable day out for all ages, packed with sparkling activities, spectacular attractions, dazzling live shows, and endless ice-skating fun. Glide across the ice beneath twinkling lights, try your hand at curling, enjoy enchanting theatre shows, or feel the thrill of exciting rides – there truly is something for everyone.

When night falls, the magic continues as the coziest après-ski village in the Netherlands comes to life. Dance, sing, and celebrate at the Music Stage, where the country's biggest artists deliver unforgettable live performances.

Every year we enrich our program with brand-new attractions and experiences. This year you can enjoy highlights such as the Tube Jump, the Balloon Voyage, the largest indoor light experience in the Netherlands, and many more surprises to discover. Of course, great food and drinks are a must. That is why each year we team up with some of Amsterdam's most renowned restaurants and bars to bring you the best culinary experiences.

The next edition will take place from December 17, 2025, to January 3, 2026
